ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Auto lights, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Leather Seats, Metallic Paint, Power Steering, Radio CD, Remainder of Warranty, Reverse camera, Roll Bar, Satellite Navigation, Service History, Side Steps, Tow Bar, Window tint. The 2023 Ford Ranger Wildtrak 4x2 is a highly capable lifestyle utility vehicle (bakkie) that prioritises premium on-road comfort, refined daily drivability, and light-duty utility over hardcore off-road performance. Because it sends power exclusively to the rear wheels, its driving dynamics behave more like a well-composed SUV than a traditional, rigid work truck. The mechanical layout of the Wildtrak 4x2 differs slightly by region. In markets like South Africa, it is powered by the muscular 2.0L Bi-Turbo diesel engine (154 kW 500 Nm) paired with a 10-speed automatic gearbox.
